FIELD NOTE

No. 1

How this template works. The Hackles Club itself collects **no child data**. The leaders do not keep names, birth dates, photos, school names, medical details or contact details. Your **host organisation** (the library, troop, club, camp, place of worship or co-op) already has a registration process for activities. Use that, and add only what Section 2 of this template adds. Where this template and your host organisation's forms differ, the host organisation's form wins. [COUNSEL TO CONFIRM: what your host organisation must collect, how long it keeps it, and where it is stored, under the law where you live.]

01 The principle: collect less

ASK FOR A PIECE of information only if the host organisation **needs it to keep a child safe or to run the activity**. If a field is not on this list, do not add it.

DO NOT COLLECT

- Birth date, home address, school name or grade (an age band is enough).
- Photos or videos of children for registration.
- Social media handles, email addresses or phone numbers for children.
- Device information, game names, usernames or any account details.
- Immigration or citizenship status, religion, race, income or family structure.
- Medical details beyond what the host organisation's first-aid policy needs.
- Anything a child says in a session.

Leaders never keep a copy of a registration form. The host organisation's staff hold them. Leaders get a first-name roster for the day, an age band, and a list of access needs the family has chosen to share, and no more.

02 The form (print for families)

Hackles Club registration. Please fill in clearly. Hackles Club is a free program of [HOST ORGANISATION]. It teaches children to notice when something online feels off, and to tell a trusted adult. It uses no devices. The Club does not collect any information about your child other than this form, which [HOST ORGANISATION] keeps.

[COUNSEL TO CONFIRM your media policy]

What the Club covers. Scams and fake offers, passwords, privacy basics, kind behaviour online, telling a trusted adult, and the Help Ladder. The Club does **not** cover sextortion, grooming, trafficking, sexual content, threats or self-harm. If your child needs to talk about something serious, we will help you find the school counselor or another trusted person.

[COUNSEL TO CONFIRM]

Leaders and safety. Two screened adults are present at every session. No adult is ever alone with a child. If a child tells a leader something that suggests harm, leaders must follow the law and [HOST ORGANISATION]'s policy, which may mean telling the authorities. [FILL IN reporting rule]

[COUNSEL TO CONFIRM]

Consent. I agree that my child may take part in Hackles Club. I understand I can withdraw my child from any session at any time, with no explanation.

03 Notes for the host organisation

1. **Where the form goes.** Into the host organisation's registration system. Not to the Club leaders' personal email, phone or cloud account.
2. **Retention.** Keep the form only as long as your policy and the law require, then destroy it securely. [COUNSEL TO CONFIRM retention period]
3. **Access.** Only staff who need it (the registrar, the safeguarding lead, the first-aider).
4. **Digital forms.** If you collect forms online, use your host organisation's own tool. Do not use a free form tool that sells or shares data. [COUNSEL TO CONFIRM data protection duties for your location, such as children's privacy law]
5. **Children's own information.** Children do not sign up for anything. Children do not create accounts. Children do not enter data into any system.
6. **Translations.** Offer the form in the languages of your families if a volunteer can translate it [VERIFY].
7. **Accessibility.** Offer a large-print form and an oral option.
8. **If a family does not want to give a phone number.** Ask for another safe way to reach them in an emergency. Do not refuse a child for lack of a phone.
9. **Fees.** The Club is free. Do not add fees. Hackles materials are free to print (CC BY-NC 4.0).

04 A quick reference for the registrar

- Collect only the fields in Section 2.
- Keep forms in one locked place.
- Give leaders a roster with first names and age bands only.
- Do not pass the forms to the Hackles team. The Hackles team does not receive any data.
- Destroy on schedule.
