1 Naming note: it is "Hackles Day"

Field note

No. 1

NAMING NOTE. The kit's event is called **Hackles Day** everywhere. The master event kit is **07_Assessment/Hackles_Day_Kit.md** and it remains the master for **planning timeline, volunteer roles, parent night, certificates, safety rules and logistics**. This document is an **add-on** that supplies **12 game-based stations** and an event flow built on the Games & Fun Pack.

Keep the word "cyber" only where it describes a field or an outside resource (for example CYBER.ORG), and do not rename external organizations. The base kit already uses the Hackles Pledge and chant; keep them. [VERIFY with a final search for the old event name before publication.]

HOW THIS ADD-ON RELATES TO THE HACKLES DAY KIT

THIS ADD-ON GIVES YOU	THE BASE KIT GIVES YOU
12 game-based stations, each with a learning goal, materials, steps and a stamp	Stations by grade band, the Puzzle Hunt with answer keys, Capstone Showcase
A run-of-show and rotation plan for the games	Planning timeline, volunteer roles and training, parent night agenda
Game-specific volunteer rules	Safety, disclosure, guest speaker, photo and accessibility rules
The Hackles Passport pages and badges for the event	Certificate text and the event Passport (six stamps)

Using both together: you may run the 12 game stations **instead of** the base stations, or use **some of each** (for example, six stations from the base kit and six from here). Both use the same Pledge, chant, Passport and certificates. The base kit's event Passport (six stamps) fits on one page of the year-long **Hackles Passport** (see 07): stamps earned at Hackles Day count as that child's Passport stamps.

Teacher Quick Start (one page for the event coordinator)

What it is: a school-wide (or class-sized) celebration with 12 game stations. Groups of 10 to 12 students rotate through the stations in 15-minute slots (12 minutes at the station, 3 minutes walking). Older students are Station Buddies. Every station ends with a Passport stamp.

Pick your version:

VERSION	WHO	STATIONS	TIME
A. Half-day, whole school	120-144 students per session, 12 groups, 2 sessions	all 12 (each group visits 6 per session, 12 in all)	8:30 to 12:30
B. Single band	one grade band	6 stations (for example 1, 2, 3, 7, 8, 11), 4 each	90 minutes
C. Classroom mini	1 class, no volunteers	3 tables: Spot the Fishy Quick Catch, a Quick Door mission, Tell-Someone role-plays or Bingo	45 minutes
D. Family evening	children and parents	stations 1, 2, 5, 7, 8, 12	75 minutes

The 12 stations in one line each (run the Mini or Quick version):

#	STATION	GAMES AND FILES	WHAT THE GROUP DOES IN 12 MINUTES	GIFTY NEEDED?
1	Peeper's Pond	01	Quick Catch, 8 cards, Mini Pond of 12 circles	no
2	The Hackles Trail	02	Mini Trail, 15 spaces, about 4 team turns	yes (adult)
3	Quiet Door Escape Rooms	03	Quick Door: two stages (about 4 min each) plus a 2-minute Door ritual	K-2 and 3-5 rooms
4	Storytime Tent	04	one read-aloud or graphic story	no
5	Gifty's Puppet Theater	06	the 10-minute short show (Scenes 1, 2, 5, 8)	yes (adult)
6	The Hackles Stage	05	Chant, Pause Palm Freeze, Ladder Climb, one song	yes (adult)

10	Gifty's Riddle Café	08	order and solve riddles; add a joke to the Jar	cut-out only

12	Ember's Calm Corner and Family Code Word Table	05 and 06 R19	breathe, craft a Trusted Hand, take a Code Word card home	no

Group rule (new): build rotation groups from **one grade band** (or two neighboring bands) so each station can use the right band's cards. Mix ages only at the opening and closing, and at Stations 4, 9 and 12.

Day-of checklist: counselor visible near Stations 7 and 12; quiet space marked; Pass cards at every station; all (H) cards removed where families opted out; photo list checked; every adult knows: *never promise secrecy, never play Gifty if you are a student, thank them and call the counselor.*

If...

- **A station runs over:** the whistle or bell still ends the slot; groups finish with a Hackles Up and move on. A stamp is still earned.
- **A child is overwhelmed:** Calm Corner, Pass card, a Station Buddy walks with them.
- **A child discloses:** a runner fetches the counselor; do not promise secrecy; the group continues with the other adult.
- **You are short of adults:** use Option B (6 stations) or C (no volunteers).

COST	Low. Mostly paper, markers, tape and sticky dots. A budget guide is at the end.
LEARNING GOAL	Practice Hackles up? Pause. Check. Tell. , the Help Ladder , and STOP-SAVE-TELL-REPORT (6-12) through play, and leave with a Passport , a badge , and one sentence they can say to a trusted adult
NOT GOALS	Competition, scaring anyone, performing for a camera, or testing

PRINCIPLES SPECIFIC TO THE GAMES (READ WITH THE BASE KIT'S SECTION 1)

(Reminder from the playtest: group composition is by grade band, Gifty is always an adult, and every station has a Pass card and a quiet exit.)

1. **Everyone plays; nobody is out; nobody loses.**
2. **Nobody plays the bad actor.** Gifty and any other trickster are **played by a trained adult only** (puppet or prop) or appear only on cards. Older students may be Station Buddies, but they never play Gifty or any person who causes harm.
3. **Volunteers practice the games first** (see the volunteer training mini-session below).
4. **Opt-outs and sensitive material.** The stations use the non-sensitive parts of the pack. Remove all **(H)** cards and any station that touches a sensitive lesson for families who opted out.

- 5. A counselor is on site and visible. Quiet space is available.
- 6. Participation is always optional. A green Pass card is available at every station.

FLOOR PLAN (GRID; ADAPT TO YOUR BUILDING)

Think of a gym or cafeteria as a 4 x 3 grid. Put loud stations at one end, quiet stations at the other, and a path wide enough for wheelchairs (about 36 inches or 90 cm, [VERIFY local guidance]).

	COLUMN A (LOUD END)	COLUMN B	COLUMN C	COLUMN D (QUIET END)
Row 1	6 Hackles Stage	5 Puppet Theater	2 Hackles Trail	12 Calm Corner and Code Word
Row 2	8 Bingo Lounge	1 Peeper's Pond	7 Tell-Someone Booth	4 Storytime Tent
Row 3	10 Riddle Café	9 Passport and Badge Studio	11 Passphrase Studio	3 Quiet Door Escape Rooms (side classrooms)

Notes: Put the **Hackles Stage** and **Puppet Theater** far from the **Calm Corner** and **Storytime Tent**. Put the **Tell-Someone Booth** near the **counselor** (visible, not hidden). Put **Escape Rooms** in separate classrooms so noise does not bother others.

4 Station cards

Each station card lists: **Crew guide, bands, rotation time, group size, adults and Station Buddies needed, materials, set-up, steps, key message, learning goal, accessibility, disclosure note, and stamp.** Use the **base kit's station-lead briefing** for the first 10 minutes of the day.

Disclosure note for every station: If a child says something that worries you, stay calm, thank them, and follow the Disclosure and Incident Guide. Send a runner for the counselor. **Do not promise secrecy.** No child is required to share a personal experience.

5 Rotation plans

OPTION A: HALF-DAY, TWO SESSIONS (THE WHOLE SCHOOL)

Each group has 10 to 12 students (12 groups means 120 to 144 students per session; larger schools run duplicate copies of popular stations or two parallel rotations) (same-band groups led by a Station Buddy, or classroom-based groups; see Group composition below). Use 12 groups per session. Each slot is 15 minutes: 12 minutes at a station + 3 minutes to move. Run Session 1 (stations 1 to 12, odd or even), a break, then Session 2 (the other half).

Session 1 (morning):

GROUP	SLOT 1	SLOT 2	SLOT 3	SLOT 4	SLOT 5	SLOT 6
Group 1	1	3	5	7	9	11
Group 2	2	4	6	8	10	12
Group 3	3	5	7	9	11	1
Group 4	4	6	8	10	12	2
Group 5	5	7	9	11	1	3
Group 6	6	8	10	12	2	4
Group 7	7	9	11	1	3	5
Group 8	8	10	12	2	4	6
Group 9	9	11	1	3	5	7
Group 10	10	12	2	4	6	8
Group 11	11	1	3	5	7	9
Group 12	12	2	4	6	8	10

Session 2 (afternoon or after the break): shifts by one, so every group visits all 12 stations over the two sessions.

GROUP	SLOT 1	SLOT 2	SLOT 3	SLOT 4	SLOT 5	SLOT 6
Group 1	2	4	6	8	10	12
Group 2	3	5	7	9	11	1
Group 3	4	6	8	10	12	2
Group 4	5	7	9	11	1	3
Group 5	6	8	10	12	2	4
Group 6	7	9	11	1	3	5
Group 7	8	10	12	2	4	6
Group 8	9	11	1	3	5	7

GROUP	SLOT 1	SLOT 2	SLOT 3	SLOT 4	SLOT 5	SLOT 6
Group 9	10	12	2	4	6	8
Group 10	11	1	3	5	7	9
Group 11	12	2	4	6	8	10
Group 12	1	3	5	7	9	11

(Station numbers match Section 3. If you have fewer than 12 groups, leave some groups out: any station without a group can be the "free play" station. We checked both tables by script: in each slot all 12 stations are used exactly once, and every group visits all 12 stations across the two sessions.)

Group composition: build the 12 groups from one grade band (K-2, 3-5, 6-8 or 9-12) or two neighboring bands, so that each station can use the right band's cards, and so that K-2 children never meet (H) content. Mixed-age groups are fine only at the opening, the closing, and Stations 4, 9 and 12.

TIME	ACTIVITY
8:30	Opening gathering (all): the Hackles Pledge, Hackles Up Chant , a one-minute puppet cameo from Hackle, the Passport hand-out.
8:50	Session 1, Slots 1 to 6 (15 minutes each = 90 minutes)
10:20	Break and snack (check allergies). Calm Corner open.
10:40	Session 2, Slots 1 to 6 (90 minutes)
12:10	Closing circle: the Big Pause , class awards, Passport certificates, Tell-Someone Pledge Wall (everyone adds a sticky with the word "TELL" or a trusted helper icon)
12:30	Dismissal

OPTION B: SINGLE-BAND, 90 MINUTES

Choose 6 stations (for example, 1, 2, 3, 7, 8, 11). Each group does 4 stations of 15 minutes; 10 minutes opening and 10 minutes closing.

OPTION C: CLASSROOM MINI HACKLES DAY, 45 MINUTES (NO VOLUNTEERS)

- 1. Opening (5 min):** the Hackles Up Chant and the Pledge.
- 2. Three stations (10 min each), all in the classroom:** (a) Spot the Fishy Quick Catch (table 1); (b) a Quick Door mission (table 2); (c) Tell-Someone Booth role-plays or Bingo (table 3).
- 3. Closing (10 min):** Passport stamps, the Big Pause, and a certificate.

OPTION D: EVENING FAMILY VERSION (75 MINUTES)

Combine with the base kit's Parent Night. Offer **stations 1, 2, 5, 7, 8, 12** to families together: children teach parents the Hackles routine, parents try Spot the Fishy, and families create a **Family Code Word**. End with the Pledge.

30-MINUTE VOLUNTEER TRAINING (USE DURING THE BASE KIT'S TRAINING SESSION)

- 1. Play** Spot the Fishy and Hackles Trail for five minutes each (so volunteers feel the games).
- 2. The three rules:** everyone plays; nobody plays the bad actor; if a child says something that worries you, thank them and call the counselor.
- 3. Words that work:** "Great noticing!" "A false alarm is fine." "Thank you for telling me. It is not your fault."
- 4. Practice** the Tell sentence with a partner.
- 5. Walk through** your station card.

VOLUNTEER RULES (PRINT AND GIVE TO EACH VOLUNTEER)

- You do not have to be a technology expert.
- Keep it light. Laugh with, never at.
- Never ask a child to share a personal story.
- Never promise secrecy. Promise to help.
- Never take photos of children unless the school says so.

- Send a runner for the counselor if you are worried.

8 Accessibility and inclusion

- Visit the space with a wheelchair user or a mobility consultant before the day.
- Provide **quiet space** and **sensory-friendly times** (fewer groups).
- Provide **large print**, **picture cards** and **visual schedules**.
- Offer **sign language** for the Opening and Puppet Theater if possible.
- **Translate** station signs into the languages of your school community.
- Provide **Pass cards** and a **no-photo marker** for any child who needs one.
- **Do not use flashing lights.**
- **Food allergies:** check lists before offering snacks.

9 Safety, disclosure, photos and media

- Follow the base kit's Section 10 (Safety, disclosure and incident rules, guest speakers, photos and media, physical safety and accessibility, technology).
- **Disclosure plan:** a counselor in sight at Stations 7 and 12; a runner to call them from any station; a private space; no promises of secrecy.
- **Photos:** only with permission lists; never post a child's name with an image; avoid images of children at the Tell-Someone Booth.
- **Technology:** unplugged by design. If a speaker is used, play only instrumental beats.
- **No real accounts, no real passwords, no real names, no real incidents** at any station.

10 Closing ritual and awards

The Big Pause (1 minute). Everyone stands in a circle. **Hackles up** (neck brush). **Pause** (palm, breathe). **Check** (eyes). **Tell** (hand on heart and reach out). **A false alarm is fine. It is never your fault.**

Class awards. Hand out the class awards from 07: **The Class Pond, The Gold Peak Flag, The Rescue Ribbon, The Quiet Door Key, The Bingo Blackout Banner.** Display them in the hall.

Passport certificates. Explorer (3 stamps), Trailblazer (6), Hero (all). **Every child receives one.**

Tell-Someone Pledge Wall. Every child adds a sticky note with a trusted-adult icon or the word "TELL." The wall stays up for a month.

11 Follow-up and feedback

- **A one-week check-in:** classroom teachers repeat the Hackles Up Chant and reread one read-aloud.
- **Feedback:** a short form for volunteers and teachers: *Which station did children love? What was confusing? What would you change?* [CONTACT: to be added] Do not collect any child data.
- **Optional pre/post "Quick Check"** from the Assessment Pack, anonymous and on paper.

- **Next year:** teams of students may help design a new station.

Low vision / blind	A volunteer guide for any child who wants one; large-print signs (at least 36 pt); textured floor tape on the route; read-aloud at every station.
Deaf or hard of hearing	Visual rotation signal (a flag or a card) beside the bell; written station cards; a sign-language interpreter at the Opening and Puppet Theater if available; captions on any speaker.
Wheelchair / mobility	36-inch (about 90 cm) routes [VERIFY local guidance]; every station has a table-height version; a seated route that visits fewer stations if needed; elevator access for the escape rooms.
Sensory / noise	A sensory-friendly session with fewer groups; the Hackles Stage and Puppet Theater far from the Calm Corner; ear defenders available; a visual schedule; no flashing lights.
Autism / need for predictability	A picture schedule for the day; the same Buddy all day; a warning before the bell; a Pass card to skip a station.
English language learners	Station signs in the home languages; a bilingual Buddy; pictures on every card; the Passport in the home language.
Anxiety / past experiences	A counselor visible at Stations 7 and 12; a no-photo marker; Pass cards; every station is optional.
