Status: DRAFT, 2026-10-05. This file records what changed in the kit when the seven gap drafts (Gap_Lesson_Stubs.md, FL-1 to FL-7) were built into full Plus lessons and the small edits P-1 to P-10 were applied. It is an editor's record, not a student or teacher document. Nothing in it means any lesson has been reviewed.

02 What changed between the stub and the full lesson

LESSON	CHANGE	WHY
6-8 P1, 9-12 P1	The Tell-3 and Helper practice are done for a friend of the character. Nobody plays Dani, the scout or the person being controlled.	The safeguard "no role-play of victims or perpetrators". The stub had the speaker say the first-person sentence as the character. Students may still say "I" if they choose, and nobody asks.
6-8 P1	Character renamed from Mika to Dani; Offer Cards written (two green, two yellow, two red); Alternate Activity "Job Scams" written (Remy).	Mika already appears in 6-8 Lesson 10 (ScrollSpot).
6-8 P1, 9-12 P1	Added a note that Florida's rule lists "prevalence" among child trafficking prevention topics and that the lesson teaches no numbers.	Honest gap statement; a specialist or the district decides.
6-8 P2	Activity rebuilt around a Solid / Still Studied / Hype sort of six Evidence Cards, then four Signal Cards and the Reset Menu. The stub's eight Signal Cards and the "word check: addiction" step were folded in (the word is in the vocabulary box and the debrief). A teacher-notes table separates "state guide says", "widely accepted, to be confirmed", "still debated" and "popularised, so avoid".	The brief asked for mental-health effects framed honestly, established versus popularised.
6-8 P2, 9-12 P2	Loneliness named in the Hook; community question added (guide p.5).	Guide-adjusted gap.
6-8 P3	Added LOOK CLOSER and DATA to the Check Strip, two extra Claim Cards (a chart whose scale starts at 90; a photo with a wrong date), a health claim, and the report-it move on the Share Pause card.	Closes the guide's Step 4 and Step 5 gaps (Crosswalk 9.2, C2).
9-12 P3	Feed Sorter deck written in two rounds (six, then nine cards); a polished-post card and a targeted-ad card included.	Closes guide p.9 audience language.
9-12 P4	The three-case evidence rule and the "tell first, block with an adult's help, delete nothing" order are in the Response Menu step and on the cards; "do not respond" is split into stranger versus peer-chat cases.	Crosswalk Section 10, D1 to D3. [COUNSEL TO CONFIRM]
All	Added Make It Stick boxes, Opt-out or alternate plans where the lesson is sensitive, Differentiate with low-internet and language access, and Teacher notes with common student questions.	Locked 12-section template.
All	988 is cited with the kit's existing tag "[VERIFIED 2026-10-05: 988lifeline.org, as tagged in Part 6]" (or "as tagged in C1" in 9-12). The stubs had marked it [VERIFY].	The 6-8 Part 6 and 9-12 C1 lists already carry the VERIFIED tag. If you disagree, change them together.

NO NEW HOTLINE, URL or statute was introduced. Every number used is one of: Florida Abuse Hotline 1-800-962-2873, Florida Human Trafficking Hotline 1-855-FLA-SAFE (1-855-352-7233), National Human Trafficking Hotline 1-888-373-7888, 988 and 911, with the tags carried over from the Crosswalk. NCMEC details appear only where the lesson's disclosure box already needed them, with the kit's existing tag. No tag was upgraded. Where the stubs said [VERIFY] and nothing new was read, it stays [VERIFY].
