FIELD NOTE	No. 1
The rule. These sheets record adults and counts only. They never record a child's name, a child's answers, a child's behavior or anything a child said. [COUNSEL TO CONFIRM that this sign-in meets your host organisation's attendance and insurance requirements. Some hosts must keep a children's attendance record under their own policy. If yours does, the host organisation keeps it, not the Club, and not on this sheet.]	

01 **Adult sign-in sheet (print one per session)**

Why adults only. Two screened adults must be present at every session. This sheet shows they were. It also lets the safeguarding lead see who was in the room.

Two-adult check (tick before starting):

- ☐ Two screened adults are present.
- ☐ Neither will be alone with a child.
- ☐ Safeguarding contact card is in the folder.
- ☐ The room has a visible quiet corner.

Head count (a number only): Children present today: _____ (no names)

Anything leaders should know next time? (about the room, the schedule or the supplies. **Not about any child.**)

Signed (lead leader): _____

The host organisation keeps this sheet according to its policy. [COUNSEL TO CONFIRM retention]

02 **Family Night sign-in (optional, adults only)**

FAMILIES ARE NOT REQUIRED to sign in. If your host organisation needs a record of adults for fire safety, collect only the number.

03 Simple impact tally (no child data)

Purpose. To show your host organisation, funder or library board what the Club did, in counts. **The tally does not measure what any child learned and does not identify any child.**

3A. SESSION TALLY (FILL IN AFTER EACH SESSION, 2 MINUTES)

3B. TERM SUMMARY

MEASURE	COUNT
Sessions run	
Total child attendances (add up the head counts)	
Average children per session	
Different leaders and helpers (number)	
Leader volunteer hours (adults × hours)	
Take-home family cards given	
Patches or stickers awarded (Level 1 / 2 / 3)	
Certificates given	
Family Night attendance (adults / children, numbers only)	
Hackles Day attendance (adults / children, numbers only)	
Paper and supplies cost for the term	\$

Average children per session = total child attendances ÷ sessions run.

Cost per child attendance = supply cost ÷ total child attendances. (A club that costs under \$10 and has 6 sessions with 12 children has a cost per child attendance of about \$0.14. That is a counted figure from your own sheet, not a claim about outcomes.)

3C. ANONYMOUS "HOW WAS IT?" JAR (OPTIONAL, NO NAMES)

At the end of the session, put a poster on the wall with three pictures: a smiling face, a straight face and a frowning face. Each child drops a pom-pom in a jar under one face, or points to one. Leaders record the three counts. No child is watched or named. **Do not ask a child why.**

SESSION #	SMILING	STRAIGHT	FROWNING

3D. OPTIONAL FAMILY SLIP (ANONYMOUS)

One question on a slip with no name: "What is one thing from Hackles Club your family did at home?" Families drop it in a box. Leaders type up the answers as a list with no names. [COUNSEL TO CONFIRM if your host organisation requires consent for anonymous feedback.]

3E. WHAT NOT TO CLAIM

- Do not claim that the Club reduced scams, harm or screen time. You did not measure that.
- Do not quote any statistic about children's online experiences unless you have verified it from a primary source. [VERIFY]
- Do not publish a child's words, even without a name.
- Say: "We ran X sessions with about Y children per session. Families took home Z cards."

3F. A SAMPLE SUMMARY SENTENCE

FIELD NOTE	No. 2
"In [TERM], [HOST ORGANISATION] ran [N] Hackles Club sessions. [M] children attended on average. [P] volunteer hours were given by [Q] volunteers. Families took home [Z] activity cards. The program cost \$[X] in supplies."	

04 Incident and concern record (adults only; kept by the safeguarding lead)

IF A CHILD TELLS a leader something concerning, **do not write it on the sign-in sheet or the tally**. Use the safeguarding lead's confidential record, or the template in the Disclosure and Incident Guide, Section 9 (kit/05_Teacher_Support/). That record is kept apart from the Club paperwork, under the host organisation's policy. [COUNSEL TO CONFIRM]

05 Storage and destruction

- Keep sign-in sheets with the host organisation, in a locked place.
- Keep tallies as counts only. They can be kept longer because they hold no personal data.
- Destroy sign-in sheets per policy. [COUNSEL TO CONFIRM retention periods]
- Never photograph the sheets or send them in a chat app.
